Co-ordinator stated the objectives of the meeting and apprised the members about failure of LOKD College prequalifying stage.

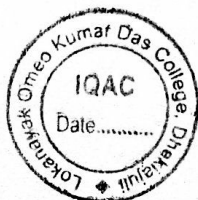

The chairman and members present expressed concern about the matter. Co-ordinator in compliance with the concern attributed the failure to a number of genuine reason. She stated that entire IQAC team members except co-ordinator had been engaged in NRC work for a long duration and the process almost came to a standstill.

Another significant factor mentioned had been the lack of secretarial assistance with expertise in computer.

Thirdly, as co-ordinator cited lack of familiarization with the latest process of on line data submission in DVV framework another reason behind the disqualification.

Resolution 1: To start the work related to NAAC with renewed vigour and rectify mistakes.

(Action taken: The work is in progress.)
